What did you appreciate most about this class?

Quiz given as extra credit

Examples provided were very relevant or similar to what we did in lecture

He went through example problems thoroughly which helped on tests and homework

applicable to real world

Learning to optimize capital structure was very interesting.

na

Clarity and guidance by both professor and TA. Professor has become one of my favorites.

Teacher is good

Discussion slides are posted on Canvas.

Is there anything you would like to see the TA do to improve his/her teaching?

I would like the TA to talk more about the homework problem, especially the Excel problem.

Pedro was a fine TA. However, I really disliked the way Zheng ran his discussions.
